

**April 15-29**

**Questions? Contact:** Elissa Prazer, 330-363-4056, [elissa.prazer@aultman.com](mailto:elissa.prazer@aultman.com)

• **Why Give?**

- Every day, **YOU** make an impact with the level of care and professionalism you provide to our patients, students and their families. Choosing to give to the *Together We Can* Colleague Campaign takes your spirit of commitment to the next level. This is OUR opportunity to put into action Aultman's mission – to lead our community to improved health – while investing in our patients and our donor-supported services. Every dollar of your donation directly supports whichever service area you choose.

• **As a colleague, am I required to give?**

- No. Colleagues are highly encouraged to participate, but not required to do so.

• **How can I donate?**

- Click on the button on the homepage of the employee portal to visit the [Colleague Campaign webpage](#) and contribute online via credit card or payroll deduction.

• **What form of payment is allowed?**

- Payroll deduction, cash and check. Credit card contributions can be made [online](#).
- Colleagues can make a *one-time donation* through a single [payroll deduction](#) or a recurring deduction spanning *26 pays*. The deductions will begin on May 24, 2024, through May 9, 2025.

• **Can I choose where I want my support to be directed and how much of my contribution is directed to my program of choice?**

- Yes, the funds are outlined on the [Colleague Campaign webpage](#) under fund descriptions.
- 100 percent of your contribution will support your selected program!
- Last year with dollars raised, Aultman Orrville Hospital built the picnic pavilion, Aultman Hospital updated the walking path, and Aultman Alliance Community Hospital purchased new equipment for the emergency department.

• **Do you have shirts this year?**

- YES! It's important for us to show power in numbers, and we do that by showcasing our *Together We Can* gear throughout the event! Anyone who purchases a shirt is considered a donor for this campaign and can round up their gift for an additional contribution.
- We are excited to have two shirt options this year:
  - Short-sleeved T-shirts in heathered indigo soft style fabric, sizes S-3XL for \$16
  - Long-sleeved shirts in sports grey, sizes S-3XL for \$25
  - BUNDLE TOGETHER FOR \$33 at in-person pop-up shops

2024 Colleague Campaign

**April 15-29**

**Questions? Contact:** Elissa Prazer, 330-363-4056, [elissa.prazer@aultman.com](mailto:elissa.prazer@aultman.com)

• **What are match gifts?**

- Generous donors have created matching gifts for select funds – Aultman College and Aultman Deuble Heart & Vascular Hospital (ADHVH). This means that gifts to those funds will be matched dollar-for-dollar to double the impact of your support until the match runs out.

• **How can I help, in addition to my participation?**

- Share your enthusiasm for giving back with others! During unit or team meetings, remind team members of the campaign.
- Purchase a Colleague Campaign short-sleeved or long-sleeved shirt to wear during logo wear days! Shirts will be for sale at pop-up shops throughout AHF facilities during the two weeks, as well as online at the [Colleague Campaign webpage](#) Wednesday, April 24, through Tuesday, April 30.
- Review the Aultman Today emails, which will outline key points of the *Together We Can* campaign: how past dollars made a difference for our patients and programs, locations for pop-up sales of *Together We Can 2024* T-shirts, and how to meet committee members who are excited to share the importance of this campaign.
